Javier Martín

Resident in Madrid though originally from Ávila, Javier Martín graduated at the Polytechnic University of Madrid as Senior Fashion Designer in 1991. During his formative years, he met Carmen and Emilia Carriches, seamstresses at the EISA workshop in the capital and first assistants of the head couturier, Felisa Irigoyen. From them he learned the specific dressmaking techniques of the couturier from Getaria and acquired knowledge on the construction of volumes that would shape his designs.

For ten years, he was part of the team at Sybilla, until 2005, when he decided to create his own brand, Nihil Obstat, focused on Haute Couture. He combines his activity as a designer with collaborations with other creative artists such as Carmen May, Jesús del Pozo or Joaquín Trías, the latter the grandson of a model of the Balenciaga house, to whom he provides technical advice. He worked from 2012 to 2019 for the Spanish company Delpozo, taking care of the modelling and development of the volumes of part of the collection and developing luxury prêt-à-porter garments with an international projection.

Also a lecturer, he has participated in educational projects of the Spanish Government's Ministry of Education, and has given lectures on design and modelling at the Centro Superior de Diseño de Moda of the Universidad Politécnica de Madrid, the European Design Institute of Madrid, and at the Estación Diseño school in Granada, among others. Since 2015, he has been collaborating with the Cristóbal Balenciaga Museoa education programme compiling and transmitting the sewing techniques used at the Balenciaga House ateliers.
